

Study Skills and Homework Strategies for the Disorganized Mind

It is never easy when you learn differently than anyone else in life. However, your teachers keep the same expectations for you as they do their other students in your class. You begin to wonder how can I work around my disability and do great in school? How can I take class notes more effectively? How can I organize myself to complete a project? Dawn Lucan is a preschool teacher with 17 years of experience shares her own tips for handling homework and studying which work great for any disability that she discovered through keeping up with her students as they entered elementary school and beyond.
