We have, since the beginning of time, been manipulated by a merciless, powerful few who conspire to suppress humanity at any cost. Now, the means of defeating the oppressor is at hand, and is provided via a code found in each of five books: Book 1: COMPLICITY Book II: CONCURRENCE Book III: CONCORDAT Book IV: CABAL Book V: COLONY CAN YOU FIND THE CODE, AND IF SO, HOW WILL YOU USE IT? Book 1: COMPLICITY Journalist Duke Johnson is plagued by a mistake he made at the onset of his career. While covering the wars in Yugoslavia he lied about the perpetrators of a heinous event, making a name for himself as well as creating international backlash against the supposed wrongdoers. No one will listen to the truth as his lie backfires. His lie has been manipulated and is being used by NATO as justification for bombing the country, placing thousands of innocent people and the woman he loves and left behind, in danger. Now, he is about to receive the Pulitzer for this lie. Terrified and desperate, Johnson must turn the tables on the real criminals and expose the truth despite the risk to himself. The stakes are immense: will Johnson's sacrifice be enough to save a country and the woman he loves?
