Beautiful Birds

Gorgeous Grayscale Coloring

This adult grayscale coloring book features a variety of beautiful, gorgeous birds. There are 36 different images perfect for hours of enjoyment. Coloring a grayscale image can seem daunting at first, but just relax and let your creativity flow. Use all of the natural highlights and shadows to your advantage. Be creative and use your imagination to bring the image to life. Please note that coloring in grayscale is NOT for everyone, but the end result can be absolutely breathtaking. Perfect for both the beginning colorist and the experienced colorist! The grayscale photographs in this adult coloring book range in variety of different scenes as well as some adorable close ups. Perfect, portable size to take wherever you go. The images are not too big, so you don't have to spend hours and hours just to finish one image. This grayscale coloring book is the new way to color. It makes the perfect gift for yourself or that special colorist in your life. Great for holidays, birthdays, Christmas, summer vacation, passing time on a road trip or any day that you want to make a little bit more special.
