

Beautiful Lies

Sexy and fast-paced, Beautiful Lies is a true literary thriller featuring one of the freshest new voices in years. Lisa Unger takes us on a breathtaking ride in which every choice Ridley makes creates a whirlwind of consequences that are impossible to imagine...What if your family was a lie?What if your name was a lie?What if your whole life was just a pack of Beautiful Lies?If Ridley Jones had slept 10 minutes later or had taken the subway instead of waiting for a cab, she would still be living the lie she used to call her perfect life. Instead, shes in the wrong place at the right time to unleash a chain of events that begins with a mysterious package on her doorstep. A package that informs her that her entire world is just an illusion. Forced to question everything she knows about herself, Ridley wanders into dark territory, where everyone is hiding something.
