

A-Z - The Girl in the Spiders Web: (A Lisbeth Salander novel) by David Lagercrantz Summary & Analysis

The Girl in the Spiders Web: (A Lisbeth Salander novel) by David Lagercrantz Summary & Analysis This is a Summary & Analysis of The Girl in the Spiders Web. This installment continues Stieg Larssons bestselling Millennium Series under the auspices of a new author. A number of familiar characters carry over from the earlier novels, and new threats to Lisbeth Salander and those few people for whom she has some regard emerge, setting up further volumes in the series and promising more to Larssons fans. It offers readers a thrilling escapade through urban and suburban Sweden, following characters familiar and beloved despite their many oddities and quirks. David Lagercrantz's The Girl in the Spiders Web, translated from the original Swedish into English by George Goulding, depicts Lisbeth Salanders continued exploits as an elite independent hacker. As she continues to try to root out the wickedness connected with her father, revolutionary research into artificial intelligence is stolen by the same corrupt figures she investigates, and the creator of that research is killed by yet another force, one all too close to Lisbeth. This companion to The Girl in the Spiders Web also includes the following: Book Review Story Setting Analysis Story elements you may have missed as we decipher the novel Clear, concise description and analysis of personalities Summary of the text, with some analytical comments interspersed Thought Provoking /or Discussion Questions for both Readers & Book Clubs Discussion & Analysis of Themes, Symbols And Much More! This Analysis of The Girl in the Spiders Webfills the gap, making you understand more while enhancing your reading experience.
