

Lakhoni

Lakhoni has been left for dead. When the Kings guards attack his village and slaughter his people, he regains consciousness only to find his sister has been taken captive. Armed with only a bow, Lakhoni must traverse a brutal wilderness, face deadly warriors, and battle legendary tattooed assassins, all in order to save his sisters life. But along the way, he discovers his parents were not the simple villagers they seemed. Instead, they were hiding a great secret that goes back to the First Fathers. Lakhoni sets out to avenge his parents, but he isnt the only one who wants the king dead. Ancient enemies are poised to strike while traitors poison the kingdom from within. The life of the king and the fate of the kingdom hang in the balance.
