

## Burden of Proof

Having the knowledge that something is true and being able to prove it are two different things. For Roy Raines his mission to bring down those who set him up has just begun and hes relearning that the hard way. To complicate matters there is a string of heists and terrorist like attacks sweeping the city and dividing the attention of his division between the two crime waves. He has no clue that these criminals might hold the key pieces of evidence he needs to prove he was set up. His daughter Lexie is put in the perfect position to help him when she accepts a job with her estranged grandfathers law firm. A return from the dead also helps to prove that Roy didnt do what he lost twenty years of his life over.
