

FACE 100 FACTS - #9 & #10 - 99? DOUBLE BOOK: #9 - 100 TRIVIA FACTS / #10 - 100 TRIVIA FACTS

FACE 100 FACTS #9 and FACE 100 FACTS #10 are collections of interesting, unusual, whacky and random fun facts in acquired from years in my trivial pursuit of reading biographies, history and references books as well as searching the Internet and paying attention to the news and generally learning about all I can. The information and interesting things are presented in a semi-commentary humorous style, which is to say a wisecrack is injected here and there. I truly believe trivia is an important and overlooked area in our education. Its brain training for filling in the small details of everything else. After all you're smarter than you think.
