

A Bad Day for Pretty: A Crime Novel (Stella Hardesty Crime Novels)

A New York Times Notable Book! Stella Hardesty, avenger of wronged women, is getting cozy with Sheriff Goat Jones when a tornado blows none other than Goats scheming ex-wife, Brandy, through the front door. Adding to the chaos, the tornado destroys the snack shack at the demolition derby track, pulling up the concrete and unearthing a woman's body. The main suspect for the dumping is Neb Donovan. Years ago, Nebs wife asked Stella for help getting him sober. Stella doesn't believe the gentle man could kill any woman, and she promises his frantic wife she'll look into it. Former client Chrissy Shaw, now fully employed at Stella's sewing shop, helps with snooping around as Stella must negotiate with the unpredictable Brandy and the dangerously alluring sheriff. This is the thrilling sequel to Sophie Littlefield's award-winning debut featuring Stella Hardesty, one of the most applauded and exciting new heroines in crime fiction today.
