

Unreasonable Suspicion: The Kinky Kat Caper (The Casebook of Efren Guillory) (Volume 1)

Efren Guillory was a rock musician who burned out on glitter, glory, groupies, and life on the road. Suddenly one sunny day in Venice Beach, California, his life was turned upside down when an aspiring movie star named Amber Jinx recruited him to find out who was stalking her, and why. The adventure takes Efren to strip clubs, Santa Monica coffee shops, Beverly Hills mansions, and ultimate fighting gyms in quest of a solution. Along the way he meets a cast of memorable characters, including a former Harvard professor from Tonga working as a strip club bouncer, a third wave feminist sociology professor moonlighting as a mixed martial arts champion and stripper, a 12 year old computer genius named Ada, and many others. Unreasonable Suspicion is a comic noir thriller in the mold of *The Third Man*, set in 2015 Los Angeles. With a preface by Shaunta Goad, Ph.D. Recommended for mature readers only. Based on the real life adventures of Brodrick Embry.
