

Girl of Rage: Rachels Peril, Book 2

Four days ago, Andrea Thompson agreed to fly to the United States to help her sister Carrie. Four days ago, everything changed. Now Andrea is lost and on the run. Dylan Paris is missing. Julia and Crank Wilson are under investigation by the Internal Revenue Service. The Thompson family is scattered and in danger, and Andrea's very identity may hold the key to unlock decades of buried secrets. Andrea, the youngest member of the Thompson clan, sets out on a search to find answers. Who is attacking her family? Who is trying to kill her and why? As Andrea seeks her answers, everything she thought she knew about her family will be turned upside down.
