

## The End of the Rainbow

Tyrin and Khalil are two men who have earned the privilege of living well. A beach home in Malibu, expensive cars, business owners, and a promising future together. Their love surpasses expectation and some view them as the ultimate Black gay couple. They have surrounded themselves with a strong circle of friends and are determined to prove that two men can succeed at love. However, one phone call will forever change the course of their relationship and hurl the two into a whirlwind of betrayal, heartbreak and newfound spiritual refuge. Does love have limitations, or can it really conquer all? Discover what happens when the perfect love turns chaotic; and everyone in their circle is relentlessly impacted by a devastating mistake never meant to surface. Friendships are questioned, faith is put to the test and the prayers of a mother are answered in the most unsuspecting of ways.
