

Completely Satisfied

Completely Satisfied, told through the voices of Imani Wright and Quinton Banks, is designed to take its readers on a fantastic voyage as they follow Imani and Quinton from adolescence to adulthood. Both Imani and Quinton learn from the School of Hard Knocks that its not about the material things to have the life they desperately seek. Coming from broken homes, Imani and Quinton cling to each other hoping to fill the voids created by their broken families. Through love, devotion and a whole lot of drama, Quinton and Imani must find that it takes so much more than love to make a relationship grow into something bigger and solid. To be Completely Satisfied they find that perfection is not always the key.
