

Easy Mandalas Mini Colouring Book: 50 Original Travel Size Mandala Designs For Relaxation (Peaceful Mind Mini Colouring Books) (Volume 2)

50 original mandala illustrations Mostly easy difficulty level, with a few more complex designs Single-sided printing If you want to relax by colouring mandalas that arent too difficult or complex, this book is the perfect choice. It features 50 original mandala art illustrations, with both abstract and themed designs. All the mandalas in this book are designed by hand, and digitally redrawn to create perfect symmetry and flawlessly smooth lines. This is a mini travel-sized colouring book, and its small size lets you carry it around easily, so you can get the benefits of colouring while on the move.

IMPORTANT - This is a travel-sized colouring book measuring 5.25x8 inches. The illustrations in this book are the SAME IMAGES as in the full size Easy Mandalas colouring book by the same author. The images have been modified to work in this smaller format, but they will be more challenging to colour than the large versions, due to the smaller overall size. To see a preview of all the mandalas in the book, visit the authors website. The URL for this book can be found in the Look Inside on this page. The images in this book are printed on one side of the page. However, as with most coloring books, bleed-through may occur with some types of marker. Its recommended that you place a blank sheet of paper under the images youre colouring, and two blotter pages have been provided at the end of the book for this purpose.
