

## Day by Day (Volume 2)

The second book in the Baker family sage is Dianna's story. She sees one brother and the other brother sees her and it leads to a bit of confusion. But this is more than a love story with a bit of humor and a bit of pathos, it is the story of how Dianna's memory of Scripture is used by the Spirit to help her in real danger when Chester kidnaps her and has evil intended for her.
