

## Bloody Signorina

(Bloody Signorina is a short story.) She was beautiful, privileged, and deadly. She just didn't know it. With its outdoor cafes, bubbling fountains, and tantalizing art, Rome beckoned Annalisa. Nothing will stop her from living the high life in one of the world's most glamorous cities. Not even murder. A finalist for the 2014 Derringer Award for Short Mystery Fiction.

This tale marks the first appearance of Italian detective Matteo Scarpone. This e-book comes with a sneak peek at his latest case. \* D'Agnese writes the most unusual and interesting books. Bookviews
