

Sunset Stripped

Willie Talburt, a talented but down-and-out screenwriter, thinks his luck is changing when he snatches \$300 off a drunks shoes at a legendary West Hollywood bistro and then meets exotic Veronica Blainewell. He would do anything to see his name on one of the giant billboards that loom high over the Sunset Strip, and she offers him the chance. But the deal and the dame dont turn out to be as sweet as Willies dreams. Sunset Stripped is a cautionary tale concerning sexual obsession, blackmail, and murder. Its the roaring 80s, a time of greed, cocaine, and Iran-Contra. Narcissism is the fashion, AIDS is the new reality, and Ronald Reagan is snoozing at the wheel.
