

## The Garden Plot: A Garden Tour Of Europe Unearths Murder-And Has Sarah Deane Digging For Clues... (Dead Letter Mysteries)

Sarah Deane dirties her hands in a transatlantic murder investigation, as a European garden tour turns deadly...Much to her dismay, Sarah has been roped into accompanying her abrasive Aunt Julia on a tour of Europe's most famous gardens. The trip takes a bad turn when the tour's leader, garden expert Ellen Trevino, fails to meet the group for their departure. That and the strange behavior of her fellow tour members plant seeds of suspicion in Sarah's mind. But her bi-continental investigating—with the help of husband Alex at home in Maine—could have Sarah herself pushing up the daisies...
