

The Reparation

The Reparation is a pulsating collection of poetry from one of today's most soulful and prophetic writers, Long Island's Peavy Mr. Young Black & Gifted. Exploring and confronting a vast array of topics, Peavy embodies the spirit of a culture and personifies the strength and perseverance of one of the world's most enduring people. With a distinctive voice and steady push, Peavy tackles issues regarding society, politics, racism, family, lust, life, love and lack thereof in well over one hundred thirty original thought-provoking poems. Now after countless years of injustice and empty promises, reparations are finally due. Peavy is also the author of the well-regarded *A Classic*, a contributing writer for a few publications and ghostwriter when needed. www.peavy.scriptmania.com www.myspace.com/peavy_youngblackandgifted hennessyncheesecake@hotmail.com
