

Talented authors, Amanda M. Lyons and Mark Woods, team up for an unprecedented collector's editions of their debut works, with never before seen bonus stories. Time of Tides What if Global Warming wasn't just down to Climate Change? What if it was down to something else? As the worst storm of all time hits the entire globe and as all across the world rivers burst their banks and the oceans start to rise, one family take to the Norfolk Broads to try and escape the floods. Little do they know their nightmare is just beginning...because as they are about to find out, nowhere is safe! Wendy Won't Go Billy and Sara are living a life of fear. Every day and every night since Sara was small they have been haunted by a terrible apparition. She is cold and she is cruel, strange and frightening. Her name is Wendy, and no matter where they go and no matter what they do, Wendy Wont Go. Dairy of the Dead Ever wonder what would happen to all the pets and livestock of the world during a zombie apocalypse? Mark Woods did in this short about a dairy farm gone array in the worst possible way.
